ESG Operations, Inc. is pleased to announce Wakulla County, Florida has chosen to renew their partnership with ESG for an additional five years. ESG has had the honor of serving Wakulla County since 2007, where our scope of services includes full service Public Works, operations and management of the water and wastewater treatment facilities, collection and distribution, lift stations, piping, and fleet maintenance.

Public Works

Wastewater Treatment

Water Treatment

Collection and Distribution

Home to nearly 31,000 citizens, Wakulla County is part of the Tallahassee, Florida metropolitan area.

“Wakulla County is committed to providing our citizens with state-of-the-art services while also being fiscally responsible with both our finances and our assets. The partnership we share with ESG assists the County in all of these aspects and we are pleased to renew our contract for an additional five years,” commented David Edwards, County Administrator.

ESG Senior Vice President and Partner John Eddlemon, P.E. stated, “ESG values our partnership with Wakulla County and we appreciate the confidence placed in us by the Board of County Commissioners and County Administrator David Edwards. We look forward to continuing to serve the citizens of Wakulla County in the years ahead.”

### **ABOUT ESG OPERATIONS, INC.**

With over 650 employees and 23 offices across the Southeast, ESG is one of the nation’s fastest growing full-service utility operations and public works management companies. ESG provides innovative solutions to a wide range of environmental and infrastructure projects with extensive experience as both design engineers and contract utility operators.
