

AWARDS AND INDUSTRY RECOGNITIONS

**MOST AWARD-WINNING
UTILITY OPERATIONS COMPANY
IN THE SOUTHEAST**

Named one of the nation's Top 200 Environmental Firms in the Nation since 2011.

Engineering News-Record (ENR) is a renowned and respected trade publication of the AEC (architecture, engineering and construction) industry worldwide. Annually, ENR compiles and publishes rankings, measured in gross revenues, of the largest engineering and construction firms in the country.

ESG is honored to have earned this prestigious ENR “Top 200” ranking for the past **ten consecutive years**. We attribute our success and this recognition to the dedication, commitment and professionalism of ESG staff and associates serving at ESG project locations across the Southeast.
